Re: Request for Advisory Opinion

I, Kisha Laurent Gaudin, currently serve as the Ethics Liaison for the Department of Public Works, City of New Orleans. At this time, I would like to make a request for an Ethics Advisory Opinion from the Louisiana Board of Ethics for one of the employees of the Department of Public Works.

The department has been made aware that one of its upper level employees, Mr. Khalid Saleh, has a son, Lufti Saleh, employed by an independent contractor who has an active contract with the City of New Orleans working directly with the Department of Public Works.

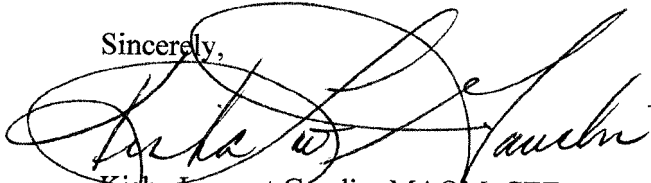

Mr. Khalid Saleh currently serves the department as the Project Manager Supervisor. In this capacity he has the responsibility of design and review for various contracts and projects with the Department of Public Works. In this role he has directly supervised Senior Project Managers and Project Managers also employed by the Department of Public Works.

Lufti Saleh is currently employed by ILSI(International Logistical Support Incorporated - Engineering) as a resident inspector. ILSI Engineering has multiple Federal Contracts within the JIRR(Joint Infrastructure Recovery Request) Program. He has been employed here for eighteen months. The contract with ILSI and the Department of Public has been in existence for about three years, and as such active to Lufti Khalid's employment with the company.

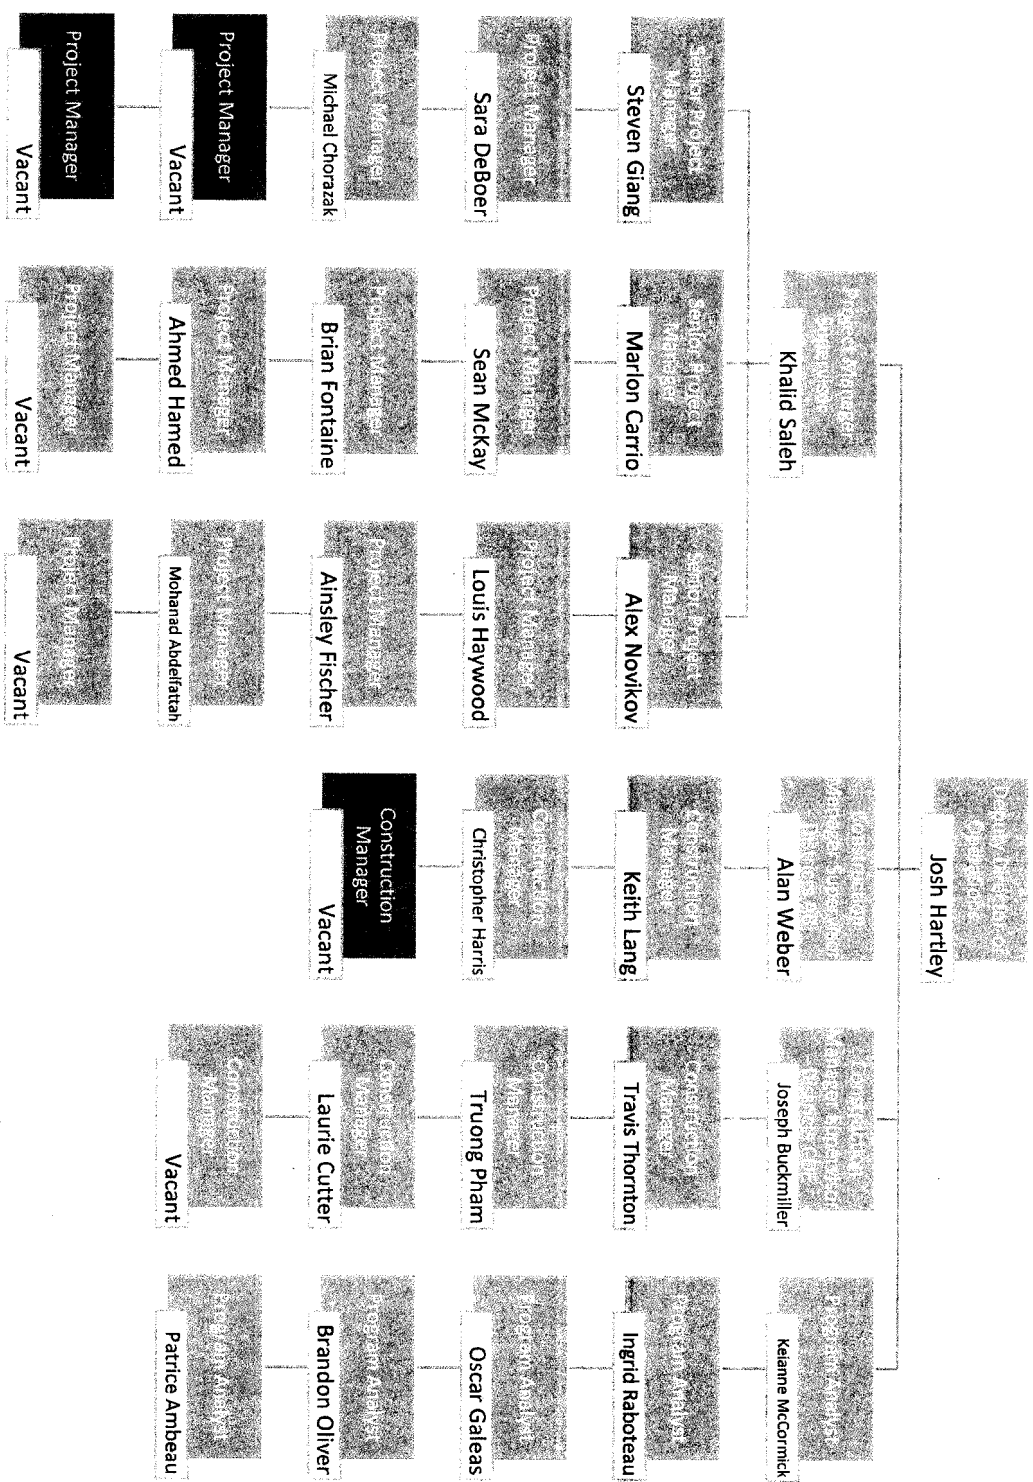

A need for an Ethics Advisory Opinion is being requested as the contract with ILSI and its projects are often reviewed by Mr. Khalid Saleh. Please be advised that he does not supervise, evaluate the work, or directly pay his son, Lufti Saleh. His son is a direct employee of ILSI(International Logistical Support Incorporated) not an employee of the Department of Public Works, City of New Orleans.

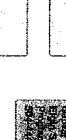

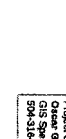

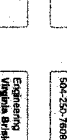

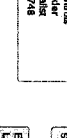

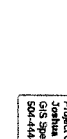

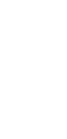

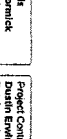

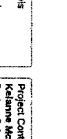

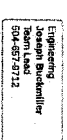

As the Ethics Liaison for the Department of Public Works and a Certified Ethics Trainer I believe that it is in the best interest department to make sure there is no ethics conflict or concern. I have included departmental organizational charts to show the position of Mr. Khalid as it relates to the department. I await your response.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kisha Laurent Gaudin', written over a large, loopy circular flourish.
